RE: Environmental Review Clearance
Lawrence Park Township Gindy's Mobile Home Park Sanitary Sewer Rehabilitation Project
(S-17-E-16-6-1[B])

Dear Cindy Jo:

This office has completed the environmental review for the above-referenced project and has determined that the project is "Categorically Excluded" under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements.

Pursuant to CDBG program requirements, the public needs to be informed of this determination along with the fact that the County will be requesting the release of CDBG funds for the activity from the PA DCED.

Posting of the "Notice" in a public building and on the municipality's website has been deemed appropriate for informing the public.

Please post the attached Notice in the municipal building in a location most readily accessible to the public and on the Township's webpage. The posting period is from April 10 to April 30, 2018. Once the time period has expired, please confirm the posting by way of letter or email (jberdis@eriecountypa.gov) to our office.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact me at 451-7330.

Sincerely,

Joe Berdis
