

HALLOWEEN HAPPENINGS

HALLOWEEN PARADE

We would like to invite all Lawrence Park and Wesleyville children to be part of our annual Halloween Parade on Tuesday, October 30th, 2018 at 6:00 pm. All kids can dress up in their scariest costumes and be at the furthest north G.E. parking lot on Main Street by 5:45 pm. Along with the L.P. fire truck, and police, we will parade down Main Street to the Iroquois High School area. All children will be given a treat at the end of the parade. The holiday committee will serve up hot dogs and a drink in front of the township building! If inclement weather prevails, notices will be placed in the L.P. and Wesleyville fire hall doors. This is an excellent opportunity for all kids to be a part of a parade and have fun! Children under 6 must be accompanied by a parent or guardian. Parents, you might want to park your car at the High School before the parade for your convenience after the parade.

TRICK OR TREAT

Trick or Treat will be held for Lawrence Park and Wesleyville on Wednesday, October 31st, from 6:00 to 8:00 pm. Parents remember to accompany small children, carry a flashlight, have your children stay close to your neighborhood, keep your porch light on and check your children's treats when they arrive home. Reflective tape used on children's costumes or coats will alert drivers of their presence. Let's all work together and make this Halloween night a safe and fun one.

Please share this information with neighbors who do not have children in the Elementary schools. Thank you!

The Lawrence Park Holiday Committee!
