Ms. Benovic said that the board has had their terms renewed but she would have to check the dates to which they run.

That fact Darlene Alfieri who had previously arranged the parade line-up but wants to re-join the group has been passed on to the township secretaries.

Ms. Benovic noted that there are new bleachers on the small ballfield but that Emmerson field needs to dry out from all the rain before work can be completed there.

She also said questions about inadequacies of the mowing in the parks by the contractor are already being addressed by the commissioners.

Ms. Benovic said the township has purchased a stage for the review of the July 4th parade and that DJ Ray will play from 7pm to 10pm in the field before fire works begin.
